Report on the Financial Statements

We have audited the accompanying basic financial statements of the Monterey County Regional Tax Authority (Authority), as of and for the years ended June 30, 2015 and June 30, 2014, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of June 30, 2015 and June 30, 2014, and the changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's response to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MONTEREY COUNTY REGIONAL TAXI AUTHORITY

MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2015 AND JUNE 30, 2014

The following narrative provides an overview and analysis of the financial activities of the Monterey County Regional Taxi Authority (the Authority) for the years ended in June 30, 2015, respectively. It is provided in order to enhance the information in the financial audit and should be reviewed with the audit report.

Agency Profile

The Authority was formed on August 9, 2010 as a Joint Powers Authority (JPA). The members of the JPA are currently the City of Carmel-by-the-Sea, City of Del Rey Oaks, City of Monterey, City of Pacific Grove, City of Salinas, City of Sand City, City of Seaside, Monterey Peninsula Airport District and County of Monterey. The Authority was formed to provide services of providing taxi permits. Monterey-Salinas Transit (MST) provides administrative, licensing and inspection services to the Authority. The Authority is governed by a nine-person board comprised of one elected official from each member jurisdiction. MST contracts with the City of Monterey Police Department to provide services related to taxi driver permitting and taxi vehicle inspections.

Financial Highlights

Initial startup costs for the Authority totaling \$15,000 were provided by the original 8 member agencies upon its inception at the beginning of FY 2011. An additional \$1,875 was provided by the County of Monterey when it joined the RTA in February of 2011. Monterey Salinas Transit (MST) provides administrative services for the Authority. During the course of 2015 and 2014, MST paid for the operating expenses of the Authority in the amount of \$40,513 and \$30,701, respectively. The balance of the Due-To-MST decreased to \$34,275 in 2015 from \$178,419 in 2014. In order to fully retire the Due-To-MST balance, the member agencies voted in April 2013 to assess themselves additional funds in the amount of \$108,505 to be collected in fiscal year 2014. These start-up fees would subsequently be reimbursed to member agencies through future permit revenues. The assets of the Authority consist of cash in banks which decreased by \$102,719 from 2014 to 2015. This reduction in assets represents primarily the reimbursement of startup costs from FY 2011 through FY 2014, which were advanced by MST to the Authority.

Economic Factors and the Next Year's Budget

After two years of negative income the Authority is now a self-sustaining agency in which revenues have exceeded expenses in FY 2013, FY 2014 and FY 2015. In FY 2012, the Authority paid extraordinary legal and other administrative costs that have not recurred in subsequent years, which resulted in expenses exceeding revenues by \$49,713. However, in FY 2013 operating revenues exceeded expenses by \$4,686, demonstrating that the Authority can be self sustaining when normal expenditures and revenues occur. In FY 2014, the Authority's net position increased by \$48,339, and, for the first time since its inception in the beginning of FY 2011, assets exceeded liabilities. In FY 2015, the authority demonstrated its further financial stability, which enabled the Board of Directors to vote at its April 27, 2015 meeting to repay all liabilities due to Monterey-Salinas Transit from FY 2011 through FY 2014. With that completed, it is expected that a payment plan for those member jurisdictions seeking reimbursement for start-up fees would be proposed to the Board of Directors in FY 2016 as part of the FY 2017 budget process.

MONTEREY COUNTY REGIONAL TAXI AUTHORITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2015 AND JUNE 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Monterey Regional Taxi Authority (“the Authority”) conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). The following is a summary of the more significant accounting policies:

Description of the Organization

The Authority was formed on August 9, 2010 as a Joint Powers Authority (JPA). The members of the JPA are currently the City of Carmel-by-the-Sea, City of Del Rey Oaks, City of Monterey, City of Pacific Grove, City of Salinas, City of Sand City, City of Seaside, Monterey Peninsula Airport District and County of Monterey. The Authority was formed to provide services of providing taxi permits. Monterey-Salinas Transit (MST) provides administrative, licensing and inspection services to the Authority. The Authority is governed by a nine-person board comprised of one elected official from each member jurisdiction. MST contracts with the City of Monterey Police Department to provide services related to taxi driver permitting and taxi vehicle inspections.

Basis of presentation and Basis of Accounting

The accounts of the Authority are organized on the basis of fund accounting. The operations of the fund are accounted for with a set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. The Authority utilizes a proprietary-type fund to account for its activities.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

Proprietary funds are accounted for using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the related liabilities are incurred. The Authority applies all GASB pronouncements as applicable.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash equivalents consisted of cash in banks in the amount of \$65,088 and \$167,807 for the fiscal years ended June 30, 2015 and June 30, 2014, respectively, all of which are FDIC insured.

NOTE 3 – DUE TO MST

The expenses of the Authority are paid by MST. During the fiscal years ended June 30, 2015 and 2014, respectively, MST made payments of all the expenses on behalf of the Authority in the amount of \$40,513 and \$30,701. The Due To MST balances were \$34,275 and \$178,419 for the fiscal years ended June 30, 2015 and June 30, 2014, respectively.

NOTE 4 – NET POSITION

The surplus in net position represents equity of the members of the JPA. Generally, there is no accounting for individual member's equity on the books of the Authority. As of June 30, 2015 and June 30, 2014, respectively, the Authority had net position in the amount of \$47,078 and \$24,567.
