Monterey County Regional Taxi Authority – RTA RTA Maximum Taxi Fares

The Monterey County Regional Taxi Authority has set the following maximum allowable fares for all Taxicab Companies operating within the RTA Service Area:

- \$3.50 for flag drop/initial charge
- \$3.50 per mile
- \$35.00 per hour for wait time, as a basic fare structure

The Monterey County Regional Taxi Authority has established the following fare structure for trips whose origin and destination occur far outside the cities and unincorporated areas of the RTA.

For the Peninsula area, any trip that begins and ends, or has at least a beginning or ending point within the following zip codes, would be subject to established meter rates:

- 93921 – Carmel-by-the-Sea
 - 93923 – Carmel Highlands, Carmel Rancho, mouth of Carmel Valley to Mid-Valley*
 - 93940 – Monterey & Del Rey Oaks
 - 93943 – Naval Post Graduate School
 - 93950 – Pacific Grove
 - 93953 – Pebble Beach
 - 93955 – Seaside, including southern part of CSUMB
 - 93933 – Marina, including northern part of CSUMB
- *Except trips beginning and ending south of Malpaso Creek*

In the greater Salinas area, any trip that begins and ends, or has at least a beginning or ending point within the following zip codes, would also be subject to established meter rates:

- 93901 – South Salinas and environs
- 93905 – Eastern Salinas and environs
- 93906 – Northern Salinas and environs

Monterey County Regional Taxi Authority – RTA RTA Long Distance Fare Structure

***Trips which both begin and end outside of the above-mentioned zip codes would be charged a fare by the established meter rate if the driver desired, or by negotiation between the taxi driver/taxi dispatcher and the customer. If the rate is negotiated, the fare could not exceed the round trip meter rate from wherever that taxi happened to be dispatched to the trip's ultimate destination.**
