

October 15, 2012

Dear Monterey Taxi Service Operator:

Monterey-Salinas Transit (MST) is pleased to announce the second round of Requests for Qualifications (RFQ) to members of the Monterey Regional Taxi Authority (RTA). Attached is RFQ #13-04 for those interested in leasing one or more of MST's new accessible taxis. Also attached is RFQ #13-06 for those interested in becoming a MST Taxi Voucher vendor. To become a MST Taxi Voucher vendor, you must have at least one wheelchair accessible vehicle, either purchased on your own or leased from MST. If you are interested in leasing one or more of MST's new accessible taxis, you must also respond to the MST Taxi Voucher vendor RFQ #13-06. (If you already are a MST Taxi Voucher vendor, you do not need to respond again to the MST Taxi Voucher vendor RFQ #13-06 when you respond to RFQ #13-04 to lease MST accessible taxis.) As such, if you are not yet an approved voucher vendor and wish to lease a MST accessible taxi, you should simultaneously apply for both the vendor and lease.

The deadline for both submissions is October 31, 2012 at 4:00 PM (PDT) and postmarks will not be considered. If you have questions about either RFQ, you may contact me via telephone or email and I will be happy to answer all your RFQ questions.

Sincerely,

*Tom Hicks, Manager  
Consolidated Transportation Service Agency
